SGSI LIGHT COVER INSTALLATION INSTRUCTIONS:

- 1) Install the cover over the light.
- 2) Cinch cover tightly closed at the bottom. Do not leave open at the bottom as was the practice with traditional covers.
- 3) Leave the cover on as much as possible. When not in use, store the cover in an internal area.
- 4) View the CIWS DVD provided for care & maintenance instructions. The video was produced for the CIWS covers, but care & maintenance instructions are the same for all Envelop covers.
- 5) If you have any questions, please call or e-mail me (contact info listed above).
